Sir:

**PETITION TO REVIVE UNDER 37 C.F.R. § 1.137(b)**

Applicants hereby petition to revive the above-identified patent application which has gone abandoned unintentionally. Please charge the petition fee as set forth in 37 C.F.R. § 1.17(m) against deposit account 05-0889.

The undersigned representative of the assignee in this application received a telephone call on January 19, 2005 from the Examiner advising that a restriction

01 FC:1453 1500.00 DA

requirement was issued in September, 2004, and the application has gone abandoned because of non-response to that office action. Since the filing of this application, the correspondence address of record of the assignee of this application has changed, but the correspondence address of record was not timely updated. Apparently, the September, 2004 office action was not delivered to the updated address and therefore never received by Applicant, resulting in an unintentional abandonment of this application.

On February 10, 2005 the Examiner forwarded a copy of the September, 2004 Office Action (mailing date unknown, but dated August 25, 2004 on page 8 thereof) by facsimile transmission to the assignee which was received.

Accordingly, accompanying this petition are:

1. The reply to the outstanding Office Action;
2. Authorization, as given above, to charge the petition fee under 37 C.F.R. § 1.17(m) to the above identified deposit account; and
3. The following statement: The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. § 1.137(b) was unintentional, as explained above.

Respectfully submitted,

JOEL WALL
